We understand that after the death of the President none of the right winners could be located. Its natural for enemies to die at a time like this but you arent going to die from us much longer walker.

You got just a short months to live as of the date you got this letter. Some time after that 2 months, maybe a day, maybe 3 months you are going to get your time.

You are not capable of the crime you are doing. It took other nuts than him to shoot and the only other nuts in the Nation area are the right winners including you.

Dont waste any time thinking this is a crack letter and there aint no use in wigwagging and quivering and going to the cops they arent going to help you.

Its quite true we want your so called right winners who were either directly involved in the murder of the President or if not directly involved assisted in pulling the trigger with your hate-mongering.

Dont forget walker you got 6 more months to go to tidy up your affairs and say a few prayers not that it will help any. You arent going quick like the President did. You going to have 6 more months to sweat it out.

And you stay the hell away from the garden city hotel or the rest of your family will get it too.
